ACCESSIBILITY INFORMATION FORM

At Aquascene, we do our best to accommodate all our guests needs where possible.

1. Please select your accessibility needs.

- Mobility
- Hearing
- Vision
- Intellectual or Social
- Autism or Sensory

2. Will you be travelling alone or with a carer/other?

.....

Will your carer need our crew to assist if you go swimming/snorkelling or will he/she be 100% responsible for your safety?

.....

3. Unfortunately, we currently have no ramp access to the boat, so are unable to take motorised wheelchairs on board.

There is a large step up to access the boat. Will you be able to do this with assistance?

.....

4. Do you have some limited mobility? If yes, can you provide us with some more information so we can better assist you?

.....

5. Do you intend to go swimming/snorkelling? If yes, what is your swimming ability? Have you snorkelled previously?

.....

6. Our onboard toilet is fitted with a grabrail and has a step up. It doesn't have the turning circle of a wheelchair. Will you be ok with this?

.....

7. In the summer months we require all our passengers to wear a stinger suit. Will you able to put one on?

.....

8. Is there any further information you would like to provide?

.....
